ARTIST OVERVIEW

Shima VibeZ is a reggae and island music band formed in Okinawa, Japan, in 2023. Bringing together musicians from Okinawa, Guam, Hawaii, Fiji, and the United States, the band creates a distinctive Pacific island sound rooted in reggae rhythms, soulful melodies, and energetic live performances.

With a seven-member lineup and three vocalists, Shima VibeZ combines rich vocal harmonies with the groove of a live rhythm section. The band performs at live venues, festivals, community events, and military installations, sharing positive energy and the spirit of island music with audiences in Okinawa and beyond.

From Okinawa, Shima VibeZ continues to share island culture, unity, and the universal spirit of reggae music through every performance.
